

Painted Post Muzzleloaders Winter League 2014-15

Open to any black powder gun with open iron sights and shooting lead bullets. Shooting will be off-hand. Scopes, cartridge guns, in-lines and stand-up cross sticks permitted if there is sufficient interest to justify a separate class.

Shooting on alternating weekends, first and third Sundays at 1:00 PM. *

The dates published will avoid conflict with other club events.

Entry fee will be a \$5.00 league fee and \$3.00 per shoot. Trophies will be presented at a luncheon after the last shoot.

There will be a total of 8 scheduled shoots, shooting a different course of fire on each weekend. Each course of fire will be shot twice. We will count the best score from each course of fire for a total league score, possible 600 points.

The courses of fire will be four different types of targets:

The woods walk, 15 various size targets at unmarked distances.

Silhouette targets using re-settable knock down targets.

Novelty target plus clay pigeons, swinging targets, etc.

Bulls eye targets in a three-distance aggregate, 25, 50, and 100 yards.

Sundays at 1 PM, starting December 21.

Woods Walk – Dec. 21 & Feb. 15 **-(start at 9AM for this shoot only)**

Silhouette – Jan. 4 & Mar. 1

Novelty – Jan. 18 & Mar. 15

Bulls Eye – Feb. 1 & Apr. 5

*** February 16 will be our Annual Winter Woods Walk (starting at 9:00AM)**, which includes tomahawk and knife throwing, flint and steel fire starting and primitive archery.

For Winter League shooters we will count the target score as the league score.
